# SPONSORSHIP OPPORTUNITY

The Meharry chapter of the American Student Dental Association (ASDA) would like to invite your organization to participate in the **2019 Vendor Fair** hosted on **October 23, 2019 from 12:00 p.m. - 3:00 p.m.** Vendor Fair is one of the many events hosted by ASDA that assists in exposing dental students to career opportunities, while encouraging active involvement in organized dentistry. This event will allow students to interact with representatives from a variety of companies including dental product manufacturers, specialty-oriented practices and dental support organizations. We would like to provide a platform for students to network with dental professionals and receive information that will help them transition from dental school to dental practice.

The minimum donation to participate as a vendor in the fair is \$750 per vendor. Representatives are required to arrive at Meharry Medical College by 11:00 a.m. on Wednesday, October 23rd. Each representative will be provided with a table in the designated area. We encourage your organization to provide information and resources related to your company for display. Lunch will be provided at noon, and the event will end at 3:00pm. If your organization is interested in participating, please complete the official registration form attached to this document and reply to **Brittany Davis or Joseph Rollings** at **meharryasda@gmail.com** by **Monday, September 2, 2019.**
